

Style Analysis Response Form

Ten Minutes to Increased Success

In just ten minutes you can complete the Style Analysis Response Form and begin a process of self-understanding that will benefit you both personally and professionally. After completing the instrument, the **Managing For Success**® software will be used to generate a valuable report full of information that may change the rest of your life.

Your report merges sophisticated behavior analysis with computer software operations to provide you with unique personal insights. This comprehensive report will help you discover qualities about yourself that could be the key to opening new doors of opportunity. You will be able to better understand your work and/or management style from the information provided, and develop an action plan that can enhance your personal and professional growth.

DIRECTIONS:

On the page you will see 24 boxes of words. Each box contains 4 lines of words. For each box select the line of words that best describes you and mark the oval in the **Most** column of that line. Then, select the line of words that least describes you and mark the oval in the **Least** column of that line. Repeat this process for the remaining 23 boxes.

- While you are responding to the 24 questions, keep your focus on the descriptions that apply to yourself in the workplace.
- Be ruthlessly honest with yourself!
- Go with your "gut" instinct—don't over-analyze!
- Select **ONLY 1 Most** and **1 Least** in each of the 24 numbered boxes.
- You should take no more than 10 minutes to complete the instrument and it should be done in one uninterrupted sitting.

Refer to the example below before proceeding:
